Playtime Speech Academy

An intermediate social skills group—with a twist!

*Strengthen social language skills while
making new friends!*

kidsability.ca

What is Playtime Speech Academy?

Does your child need some extra support making friends and communicating effectively with peers?

Playtime Speech Academy is a popular group therapy program designed to help your child improve the use of language to communicate in a social setting. It follows a play-based format to focus on using language functionally in everyday interactions.

This group is also designed to develop skills necessary for successful experiences at school such as circle time and following group instruction.

Who?

Children ages 5-9

This program is structured to meet group AND child-specific objectives.

Our registered Speech-Language Pathologist will work with you to establish individualized goals. She will spend some time during each session helping to facilitate the group as a whole, and working separately in smaller 'mini-groups' to practice the goals of each child.

Cost:

\$650*

* As this is a service provided by a Registered Speech-Language Pathologist, you may have coverage for this program through insurance or therapeutic funding.

When?

March Break 2012
March 12th — March 16th
(Monday through Friday)

1:00pm - 3:30pm

Please pack a nut-free snack and drink for your child each day!

Skills we will cover:

Initiating conversations, answering questions appropriately, routine/transitions, taking turns, cooperation, basic emotions, and more!
