

# Many Thanks

## Thank You

Building on a partnership established two years ago, Scotiabank Group's donation is of unparalleled support for the Centre of Excellence. This will allow for the continued exploration of excellence beyond rehabilitation and intervention services, treatment plans and direct clinical service to clients and their families. *"Our partnership with KidsAbility Centre of Excellence is extremely gratifying,"* said Glen Travers, Scotiabank Community Manager for Waterloo. *"A short visit to KidsAbility gives you appreciation for the tremendous care they provide. Our employees share their passion and commitment for children, family and community."*

Scotiabank Group dedicates \$100,000 to the KidsAbility Centre of Excellence
