

Celebrating Our Rich History and Bright Future

From proud but humble beginnings to an exciting future, KidsAbility has a rich and meaningful story!

Over the past 60 years we have grown and evolved to meet the needs of children, youth, families, staff, volunteers and funders in our communities.

No barrier can stand in the way for long because when the kids succeed, we all succeed!

Over the past 60 years, KidsAbility has helped 60,000 children and youth! Buildings have been built, names have been changed, programs have been added and removed as we respond to the needs of families but what has not changed has been the commitment to every family reaching their full potential.

We have much to be proud of over the past 60 years. We have much to look forward to in the next 60 years!

KidsAbility will remain dedicated to removing barriers, to building strong community connections, to finding innovative ways to deliver life changing services, to joining families in their life journey, to creating an environment that allows staff and volunteers to make their best contribution.

When we are all able to bring our best, to create opportunities, to remove barriers and build community then children and youth with special needs are not only accepted, they experience authentic belonging! When our staff, volunteers and donors are able to realize their full potential, KidsAbility is able to grow and evolve to meet the needs of those we serve today and tomorrow.

For the difference that KidsAbility has been able to make in the past and the present and will strive to meet in the future, we say: "You are most welcome!" For the opportunity to have been of service and to have the trust of the community and its members to provide such a service, we say: "Thank you! The pleasure is all ours!"
