Dear Parent/Legal Guardian:

The Augmentative Communication Services (ACS) clinic is an Expanded Level Clinic with the Assistive Devices Program (ADP) of the Ontario Ministry of Health and Ministry of Long-Term Care. Services are provided at our Waterloo Site (500 Hallmark Drive), and as appropriate, in the client's home, school or community.

This referral is the first step to further enhance your child's/youth's written communication skills.

Your commitment will be required throughout our process, including:

- Attending assessment and training appointments
- Providing opportunities for your child to practice in the home
- Working with the ACS team (SLP, OT, CDA) to learn strategies so you can be your child/youth's best teacher
- Your active participation to help your child/youth reach their full potential

I understand my role and will support my child/youth and the ACS team: _____
