

I'm talking about...

a person

a place

a thing

an action

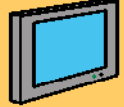

a feeling

an animal

something on T.V.

a movie

a game

music

sports

something to eat or drink

something inside

something outside

something at home

something in my imagination

something I see

somewhere I went

something else

It happened...

yesterday

tomorrow

today

another time

It happened...

at home

at school

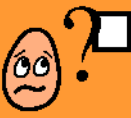

somewhere else

I don't know

Keep guessing!

Ask me a yes/no question

yes / no ?
