

My name is _____. I like being outside in the fresh air!

If I want to go outside, I need to ask my Mom or Dad first. It is NOT SAFE to go outside alone. I need a grownup to take me outside to keep me SAFE.

If I want to go outside, I can ask Mom or Dad to take me for a walk. If I go outside without my Mom or Dad, it will make them very sad. They want to keep me SAFE!

If I see my friends outside and I want to play with them, I can ask my Mom or Dad if it is okay. If my Mom or Dad says "yes", I can go outside to play with my friends!

It is important to always ask my Mom or Dad if it is okay to go outside!
