

It's Okay to Poop in Public

Sometimes, when I am away from home, I might need to go poop.

When this happens, I will need to go poop in a public washroom, this is okay!

My tummy will feel so much better when I poop!

Can you help me,  
please?

If I need help wiping, I can ask my mom or dad for help.

It is okay to poop in a public washroom! When I go poop in a public washroom, everyone will be happy!
