

Summer Camp Planning Workshops 2021 - Guelph Wellington

We know it is difficult to think about summer plans with so many unknowns at this time. However, many municipal and other qualified camp programs will continue to run as they are considered essential childcare. We will do our best to share the information we do know, as well as any changes or updates as they become available

Summer Camp Planning Workshop

Thinking about a summer camp for your child? Want to learn about what camps would be the right fit for your child? Are there supports and funding that you can access to help make your child's experience a success? Do you have questions about attending camp during COVID?

- How to share information about your child to promote their success

This workshop is intended for families who have children with disabilities as well as service providers, and is presented by Jennifer Hughes Djaja, CMHA/SKIC, and Sheryl Dedman, KidsAbility Recreation Therapist.
