

Donation of Shares to KidsAbility

Below we have outlined the process for the donation of Shares to KidsAbility Foundation.

The donor must send a letter to his/her advisor confirming that he/she formally wishes to make a donation of shares. Please see the attached Letter of Direction which can be used.

Forward the Letter of Direction to the three parties as indicated. Please ensure that the letter is signed by you, the donor as confirmation of authority to deliver the shares from your account.

Following KidsAbility Foundation's confirmation that we will accept the shares, TD Waterhouse Private Investment Counsel will contact your broker to advise that the shares can be set up for delivery.

If you have any concerns regarding the above, please contact me, Lisa Talbot at 519-886-8886 x 1201 or by E mail: ltalbot@kidsability.ca.

Thank you for your kind support of our kids.
