Independent Auditor's Report

To the Board of Directors of KidsAbility Centre for Child Development Foundation

Qualified Opinion

We have audited the financial statements of KidsAbility Centre for Child Development Foundation (the "Entity"), which comprise the statement of financial position as at March 31, 2023, the statements of operations, changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at March 31, 2023, and its results of operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Entity derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Entity. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the years ended March 31, 2023 and 2022, current assets as at March 31, 2023 and 2022, and fund balances as at April 1 and March 31 for both the 2023 and 2022 years. Our audit opinion on the financial statements for the year ended March 31, 2023 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

KidsAbility Centre for Child Development Foundation

Notes to Financial Statements

March 31, 2023

1 . Summary of Significant Accounting Policies

Nature and Purpose of Organization	<p>The primary purpose of KidsAbility Centre for Child Development Foundation ("the Foundation") is to raise, maintain and administer the funds of the Foundation in order to support children and young adults with physical, developmental and communication disabilities in Waterloo Region and Wellington County through, among others, supporting the work of KidsAbility Centre for Child Development ("KidsAbility"). Some bequests made to KidsAbility are transferred to the Foundation and, at the discretion of the board of directors, are either internally restricted or specifically designated.</p> <p>The Foundation is a registered charity under the Income Tax Act and is therefore exempt from income taxes.</p>
Basis of Accounting	<p>The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations (ASNPO).</p>
Fund Accounting	<p>The Foundation follows the restricted fund method of accounting for contributions.</p> <p>The Operating Fund reflects the activities related to donations received, payments made, and operating expenses incurred for the betterment of the KidsAbility Centre for Child Development.</p> <p>The Internally Restricted Fund and Externally Restricted Endowment Fund represents a pool of restricted assets used to generate investment income, which in turn is used to support donations made to KidsAbility Centre for Child Development. Unrealized gains and losses and realized gains and losses are allocated to the appropriate fund when earned.</p>
Revenue Recognition	<p>Restricted contributions are recognized as revenue of the appropriate restricted fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. However, if no appropriate restricted fund is presented, then the restricted contribution is recognized as revenue of the Operating Fund. Other restricted contributions are recognized in the Operating Fund as deferred contributions until the restrictions have been satisfied.</p> <p>Unrestricted contributions are recognized as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.</p>

Notes to Financial Statements

March 31, 2023

1. Summary of Significant Accounting Policies (continued)

Financial Instruments	Financial Instruments are recorded at fair value at initial recognition. In subsequent periods, equities traded in an active market and derivatives are reported at fair value, with any change in fair value reported in income. All other financial instruments are reported at cost or amortized cost less impairment. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost.
Contributed Materials and Services	<p>In-kind donations of supplies and services used in the normal course of operations are recorded as revenue and expense at fair value, when documentation to support the value is available.</p> <p>Volunteers contribute many hours per year to assist the Foundation in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.</p>
Cash and Cash Equivalents	Cash and cash equivalents include cash and cashable guaranteed investment certificates.
Harmonized Sales Tax	The Foundation received the public service bodies' rebate of 50% of the federal portion of the HST paid and 82% of the provincial portion of the HST paid in Ontario.
Foreign Currency Translation	Foreign currency transactions are translated at the rates of exchange in effect at the dates of the transaction. Resulting foreign currency denominated monetary assets and liabilities are translated at the rates of exchange in effect at the balance sheet date. Gains and losses on translation of monetary assets and liabilities are included in investment income.
Use of Estimates	The preparation of financial statements in accordance with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.
Government Assistance	Government assistance received during the year for current expenses is included in the determination of net income for the year.

10. Operating Reserves

Included in internally restricted fund balance are specific reserves identified to provide operating funding to KidsAbility Centre and KidsAbility Foundation should there be unforeseen circumstances requiring operating cashflow in order to maintain operations of the two entities. At year end, the reserves are as follows:

	<u>2023</u>
KidsAbility Foundation Operating Reserve	\$ 1,092,411
KidsAbility Centre Operating Reserve	2,250,000
Investment Income Stabilization Reserve	<u>812,926</u>
	<u>\$ 4,155,337</u>

11. Financial Instruments

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Financial instruments which potentially subject the Foundation to concentrations of credit risk consist of cash and cash equivalents and long-term investments and the related interest receivable. The Foundation has deposited the cash and investments with reputable financial institutions, from which management believes the risk of loss to be remote.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Currency Risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Foundation has a diversified investment portfolio which includes foreign equities.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Foundation is exposed to interest rate risk on its fixed and floating interest rate financial instruments. Fluctuations in these rates will impact the investment income received in the future.

KidsAbility Centre for Child Development Foundation
Notes to Financial Statements

March 31, 2023

11. Financial Instruments (continued)

Other Price Risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Foundation is exposed to this risk through its equity holdings within its investment portfolio.

The Foundation is exposed to changes in interest rates and exchange rates related to its investments in marketable securities. The Foundation's primary objective is to ensure the security of principal amounts invested and provide for a high degree of liquidity, while achieving a satisfactory return. Management has determined that the overall financial instrument risk is unchanged from the prior year.
