

# Wearing a Seatbelt

My name is NAME

I like to go in the car with my mom and Dad

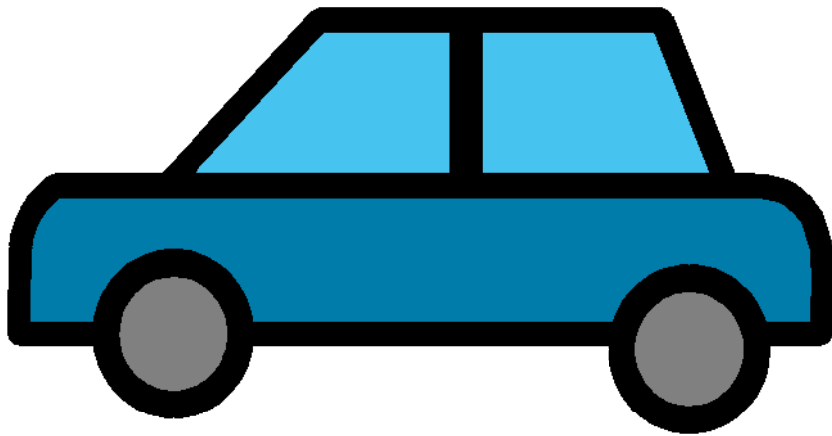

I sit in my car seat

I put on my seat belt.  
This is very important.

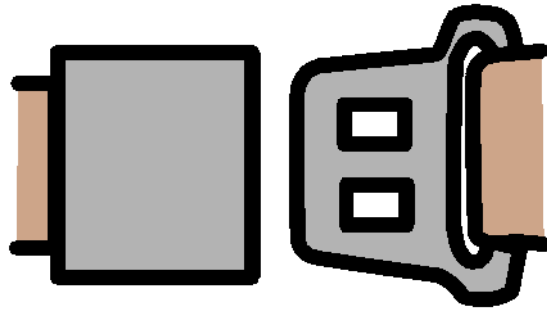

I stay in my seat.  
I leave my seat belt on.

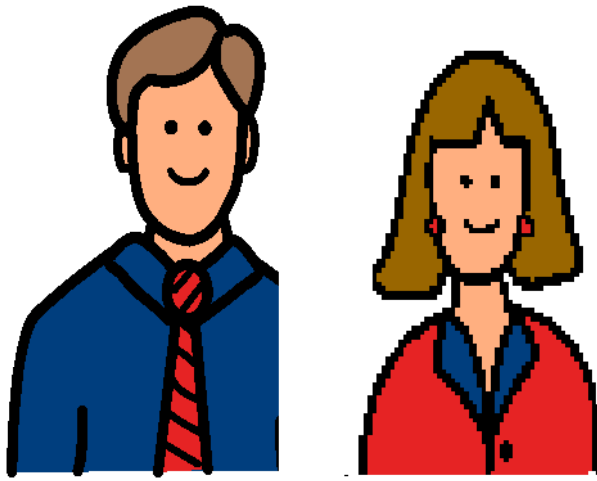

I can look out the window.

Mom or Dad turns off the car.

I can take off my seat belt  
when Mom or Dad say its OK.

Mom and Dad are happy  
when I stay in my seat.
